Subject: I support the terminal expansion

Good day,

As a resident of the city of Long Beach as well as an air traveler who utilizes the Long Beach Airport regularly, I would like to express my support for the terminal expansion project. I support the tremendous efforts to make Long Beach Airport the gem of southern California air travel. I commend the EIR for its comprehensive study of all aspects of the terminal expansion. I wholly support every effort made in improving and expanding the terminal at LGB as soon as possible.

Regards,
